xii • Reading Plans

## Every Word in the Bible

Track 3 takes you completely through the Bible, reading every word. Other Bible-reading plans allot only a year for this project, requiring that at least 3 chapters be read each day. But many readers find such a pace to be unrealistic and discouraging. For this reason, Track 3 assigns only one chapter a day. (Some short chapters have been combined, so occasionally you will read two brief chapters in a day.) In all, the reading plan works out evenly to a three-year total.

The Track 3 plan alternates between the Old Testament and New Testament. This mixing provides variety and reduces the fatigue that may set in from reading long sections of the Old Testament.

Time Commitment: Three years
Goal: To read all the way through the Bible with understanding
